Feedback from the Employer on Curriculum

Academic Year 2022-2023

The feedback collected from employers of our placed B.Ed. graduates and M.Ed. post graduates has provided crucial insights into the effectiveness of our curriculum in preparing students for the workforce. In response to this valuable input, we have undertaken several actions to address the highlighted areas for improvement. This report details the specific measures implemented to enhance the B.Ed. and M.Ed. curriculum, ensuring it aligns with industry expectations and equips our graduates with the necessary skills and knowledge.

Areas Identified	Action Taken
Facilities in the college to implement the curriculum effectively	Gather feedback from faculty, students, and staff regarding the adequacy and functionality of current facilities.
Curriculum support in terms of skill enhancement	Design assignments, projects, and assessments that require students to demonstrate and apply key skills in real-world contexts.
Role of curriculum in physical development	Offer a variety of physical activities such as sports, yoga, dance, and recreational games to cater to diverse interests and abilities.
