Feedback from the Employer on Curriculum

Academic Year 2020-2021

The feedback collected from employers of our graduates has provided valuable insights into the effectiveness of the B.Ed. and M.Ed. curriculum in preparing students for the workforce. In response to this feedback, we have implemented a series of actions aimed at enhancing the curriculum to better meet the needs and expectations of employers. This report details the specific measures taken to address the feedback, highlighting our commitment to ensuring our graduates are well-equipped for their professional roles.

Areas Identified	Action Taken
Curriculum support to enhance leadership qualities	Provide opportunities for students to practice leadership skills through extracurricular activities, community service projects, and leadership seminars.
Role of curriculum to cultivate values & soft skills	Promote values such as integrity, empathy, respect, diversity, and sustainability across all courses and activities.
Role of curriculum in physical development	Design learning environments that encourage movement and physical activity, such as standing desks, flexible seating arrangements, and outdoor learning spaces.
