Feedback from the Parents on Curriculum

Academic Year 2022-2023

The feedback gathered from parents of B.Ed. and M.Ed. students has been instrumental in shaping the enhancements made to our curriculum. In response to their valuable insights, we have undertaken several key actions to enrich the learning experience and better align the program with the expectations of parents. This report highlights the specific measures taken to address the feedback received, underscoring our commitment to fostering a collaborative and supportive educational environment.

Areas Identified	Action Taken
The institution provides a unique and innovative curriculum	Analyze industry trends, emerging technologies, and best practices in education to inform curriculum innovation.
The curriculum addresses the educational needs and requirements of the Local community.	Conduct a needs assessment survey or study to identify the educational needs, challenges, and aspirations of the local community.
The teaching methods used in the institution are well-planned and effective.	Offer workshops, seminars, and peer mentoring programs focused on effective teaching practices.
