## **Feedback from Teaching Practice Schools/Teacher Education Institutions Academic Year 2019-2020**

Based on the feedback collected from teaching practice schools, we have developed a comprehensive action plan to enhance the B.Ed. and M.Ed. curriculum. This plan aims to address the key areas of concern and suggestions identified by our stakeholders, ensuring that the curriculum remains relevant, effective, and aligned with the needs of both students and educators. The following outlines the specific actions we will undertake to implement these improvements.

<b>Areas Identified</b>	<b>Action Taken</b>
Curriculum support to enhance leadership qualities	Include topics such as communication skills, decision-making, conflict resolution, and instructional leadership.
Provision for continuous evaluation & assessment	Utilize feedback to make timely adjustments and improvements to the curriculum and assessment strategies.
Overall rating of the B.Ed. curriculum	Seek feedback from stakeholders and utilize assessment data to identify areas for enhancement and update curriculum content accordingly.
