## Planning and Execution of Community Related Events

Student teachers are involved in organizing and active participation in various awareness programmes on Community related Events. Different clubs of the college plans programmes with student representatives and involves the student teachers to take part in creating awareness among the neighbouring community on social issues and the remedial measures. The involvement of student teachers in execution and participation of community related events makes them competent in heading the events organized in schools during internship.

### **Building Teams and Helping them to Participate**

Student teachers are divided into groups and with guidance of the teacher educators plan the execution of various events. Student teachers practiced teaching skills in groups. Peer feedback during micro teaching practice identify the strength and weakness of the teaching skill of the student teacher and affords room for them to make necessary modification to increase their confidence in teaching. The student teachers in groups, pool ideas, plans, organize and participate in outreach activities, sports day, citizenship camp and club activities to gain experience and enable them to conduct co-curricular activities in schools.
