1. CAREER AND PERSONAL COUNSELLING

Seminar on Drug Abuse by Rishi Raj Singh,IPS on 29/1/2019

A seminar on drug abuse was conducted at SNCE, with Rishi Raj Singh IPS serving as the resource person. Through this informative session, prospective teachers were oriented about the prevalence of drug addiction among school students and its detrimental effects on health, memory, and decision-making. Rishi Raj Singh IPS also shed light on the legal provisions related to drug abuse, ensuring that student teachers were well-informed about the legal ramifications and measures in place to address this pressing issue. The seminar provided a valuable opportunity for student teachers to gain insight into the complexities of drug abuse and its impact on individuals and society. It underscored the importance of vigilance, prevention, and intervention strategies within educational settings to combat substance abuse effectively.

**Session on Psychology of Men and Women by Fr Edward George on
06-02-2019**

Student teachers could attend a session on the psychology of men and women during the community living camp. The resource person delved into the psychological differences between males and females, enlightening the prospective teachers on this intriguing subject. This session expanded the horizons of the student teachers, exposing them to new realms of psychology. As future educators, this understanding will undoubtedly profoundly impact their

careers. By gaining insights into the psychological nuances between genders, student teachers are better equipped to understand and support the diverse needs of their future students. This knowledge will enable them to foster inclusive and supportive learning environments, enhancing their effectiveness as educators.

Lecture on SWOT Analysis by Mr Ajeesh KP, EKSAT on 6-2-2019

As part of the value-added course "Strategies for Teacher Leadership," student teachers received a lecture on SWOT (Strengths, Weaknesses, Opportunities, and Threats) Analysis. During this session, the resource person assigned various tasks to the prospective teachers to analyse their SWOT profiles. The SWOT analysis facilitated a deeper understanding of the student teachers' strengths, weaknesses, opportunities, and threats. It served as a valuable tool for self-reflection and helped them gain insights into their personalities and capabilities as future educators. By acknowledging their strengths and weaknesses, student teachers could identify personal and professional growth areas. Moreover, recognising the opportunities and threats in their educational environment enabled them to develop effective leadership and career advancement strategies. The SWOT analysis session was crucial in empowering student teachers to become more self-aware and proactive in their roles as educators and leaders.

Session on Qualities of a Teacher by Ajay Venu on 8-2-2019

On the second day of the community living camp in 2019, student teachers had the opportunity to attend a session focused on teacher qualities. The resource person leading the session was an alumnus of SNCE. He discussed many personal, professional, and classroom-oriented attributes essential for teachers. Throughout the session, student teachers gained valuable insights into the diverse aspects of being an effective educator. The resource person's firsthand

experience and expertise added depth and credibility to the discussion. The session proved to be highly beneficial for the prospective teachers, providing them with practical guidance and inspiration as they prepared to embark on their teaching careers. The engaging presentation mode enhanced the learning experience, making it informative and enjoyable for all participants.

2. SKILL ENHANCEMENT IN ACADEMIC, TECHNICAL AND ORGANIZATIONAL ASPECTS

National Science Day by Science Club, SNCE, Muvattupuzha on 28-Feb-19

The Science Club of Sree Narayana College of Education enthusiastically celebrated National Science Day. The programme was inaugurated by Principal Dr. PJ Jacob, highlighting the importance of scientific knowledge and inquiry in education. The club organised several activities for the celebration, including a Science exhibition and a quiz competition. The exhibition featured various models and charts prepared by the dedicated members of the Science Club, showcasing their creativity and scientific knowledge. The quiz competition covered areas of general awareness and basic science, providing participants an engaging and educational experience. The Science Club aimed to promote a deeper understanding and appreciation of science among students and faculty members through these activities. The National Science Day celebration was a resounding success, fostering a spirit of curiosity and discovery within the SNCE community.

Four-day Study Tour—Mysore, Malpe, Chikmagalur organised by SNCE, Muvattupuzha from 03-01-2019 to 07-01-2019

Mel

A four-day study tour was organized to explore the scenic wonders and cultural heritage of Mysore, Malpe, and Chikmangalore. The itinerary included visits to iconic landmarks such as the Mysore Palace, Belur Temple, Malpe Beach, and St. Mary's Island. The tour provided participants with breathtaking views of valleys, hills, and waterfalls, immersing them in the region's natural beauty. Exploring the picturesque landscapes and historical sites offered a rich learning experience, deepening their appreciation for art, architecture, and history. Travelling through the villages of Karnataka also provided valuable opportunities to immerse in different cultures and traditions. Interacting with local communities allowed prospective teachers to gain insights into diverse lifestyles and customs, enriching their cultural understanding. Moreover, being part of different tour committees enabled the prospective teachers to learn about the organisation and logistics involved in planning such trips. This hands-on experience enhanced their organisational and teamwork skills, preparing them for future leadership roles in educational settings. The study tour was an enriching and memorable experience that combined learning, exploration, and personal growth.

Kerala Piravi Celebrations by Vedika Club, Sree Narayana College of Education on 1-11-2018

The Vedika club at Sree Narayana College of Education celebrated the 62nd Kerala Piravi, offering an enjoyable experience for student teachers. The event featured a variety of programs showcasing the rich culture of Kerala. Vedika members delighted attendees by dressing up as characters from Kerala's history and famous Malayalam novels, adding a colourful and lively touch to the celebration. Additionally, competitions like Malayali Manka and Malayala Sreeman were organised for student teachers in various subjects, fostering a sense of team spirit and friendly competition. The event was a vibrant tribute to Kerala's heritage and traditions, allowing student teachers to immerse themselves in the state's cultural richness. Overall, the celebration of Kerala Piravi was a memorable and engaging experience for everyone involved.

Workshop on 'CHEKKUTTYPAVA' By Sree Narayana College of Education on 07-02-2019

During the community living camp, a session on Chekkuttypava making was conducted, with a team of student teachers serving as resource persons. These student teachers were already trained in this traditional art form. They demonstrated the process of making Chekkuttypavas using cloth and thread to the other student teachers. This hands-on activity provided a memorable and enriching experience for everyone involved. Through the session, student teachers had the opportunity to learn about the cultural significance of Chekkuttypava making and develop new skills in this traditional craft. It fostered a sense of companionship and appreciation for Kerala's rich artistic heritage. Overall, the activity added a meaningful dimension to the community living camp, allowing participants to connect with Kerala's culture tangibly and creatively.

Flash Mob and Distribution of Leaflets on Road Safety by Sree Narayana College of Education on 22-02-2019

The prospective teachers of Sree Narayana College of Education organised a flash mob in Muvattupuzha town to promote road safety and traffic rules. They creatively engaged with the public, distributing leaflets to raise awareness about the importance of following traffic rules and practising safe driving habits. Their initiative received positive responses from people from various walks of life, highlighting the effectiveness of their efforts in spreading awareness

about road safety. By actively participating in extension activities like this, the student teachers demonstrated their commitment to promoting public welfare and fostering a culture of responsible citizenship. The flash mob served as a powerful medium to convey the message of road safety in an engaging and impactful manner. Through their collective action, the student teachers significantly promoted safer roads and created a more conscientious community.

Cleaning and beautification of Muvattupuzha Municipal Park with the support of municipality on 27-02 -2019

As an extension activity, the student teachers of SNCE took on the task of cleaning the Municipal Park of Muvattupuzha. With the support of the Muvattupuzha Municipality, they embarked on this initiative to enhance the cleanliness and aesthetics of the park. After completing the cleaning process, the student teachers planted saplings and trees to contribute to the park's beautification. This dual effort not only improved the physical appearance of the park but also symbolised a commitment to environmental conservation and sustainability. Beyond its practical purpose, this activity fostered a sense of unity and responsibility among the participants. Working together towards a common goal of community improvement strengthened their bonds and instilled a greater sense of civic duty. The experience of actively contributing to the betterment of their surroundings left a lasting impact, inspiring them to continue making positive changes in their community.

College Day celebrations by Sree Narayana College of Education on 27-03-2019

The college day celebrations 2019 were inaugurated with grandeur by Dr. Vidhu P Nair, a National Teachers' Award recipient. As the chief guest, Mr. Vijesh Gopal, a renowned playback

singer, graced the occasion. Several other dignitaries attended the event, adding to the festive atmosphere. Following the inaugural ceremony, the chief guest treated the audience to a magnificent performance, which captivated everyone's attention. His talent and charisma set the stage for an evening filled with entertainment and celebration. The prospective teachers of SNCE showcased their talents through various performances, including dances, songs, and skits. Their enthusiastic and vibrant presentations added to the joyous ambience of the event, leaving a lasting impression on everyone present. The college day celebrations 2019 were a resounding success, bringing together students, faculty, and guests for an unforgettable evening of camaraderie and entertainment.

A blood donation camp at Sree Narayana College of Education in Collaboration with HDFC Bank and SH Medical Centre, Kottayam on 27-10-2018

A blood donation camp was organised at SNCE in collaboration with HDFC Bank and SH Medical Centre. The primary objective of the camp was to encourage student-teachers to participate in blood donation, thereby contributing to the noble cause of saving lives. The event saw active participation from both teaching and non-teaching faculty members and student teachers. Approximately 20 individuals generously donated blood during the camp. Additionally, many others expressed their willingness to donate, although specific health concerns prevented them. Despite the challenges faced by some individuals, the overall endeavour succeeded in motivating prospective teachers to volunteer for blood donations. The camp served as a platform to raise awareness about the importance of blood donation and instilled a sense of social responsibility among the SNCE community. Through their contributions, participants demonstrated their commitment to positively impacting society and saving lives.

A street play named 'NAMMAL JANANGAL' (We, the people) by Kerala Shasthra Sahithya Parikshath on 12-02-2019

Mel

 Kottayam

Kerala Shastra Sahithya Parikshath organised a street play titled "Nammal Janangal" at Sree Narayana College of Education. The actors brought the drama to life with their compelling performances. In addition to the college members, school students were also invited to watch the play. The drama depicted various atrocities ordinary people face, effectively conveying its message to the audience. Through powerful storytelling and impactful performances, "Nammal Janangal" shed light on social issues and inspired reflection and dialogue among the viewers. The play served as a medium for raising awareness and promoting social change, leaving a lasting impression on all who witnessed it.

'OUR SOUL DEARS' - Homage to Pulwama Martyrs' by English Education, Sree Narayana College of Education on 1-03-2019

As a tribute to the soldiers martyred at Pulwama, the English Education department organised a commemoration titled 'Our Soul Dears-Homage to Pulwama Martyrs'. The event was inaugurated by the secretary of the college. The commemoration featured exhibitions of military medals and badges, publications on soldiers and war, collages on patriotism, pencil drawings, and films. These displays served as a poignant reminder of the sacrifices made by our soldiers and highlighted the importance of honouring their memory. The immersive atmosphere, depicting war fields and patriotic themes, revitalised the sense of patriotism among the organisers and participants. The event provided a platform to express gratitude and respect for the brave soldiers who lost their lives in the Pulwama attack, fostering a spirit of unity and reverence among all attendees.

Food fest, 'LASAGULA' by Mathematics Education, Sree Narayana College of Education on 11-3-2019

Mathematics Education organised a food fest with a mathematical twist, aptly titled 'Lasagula'. The event featured various food items, including juices, snacks, tapioca, and other delicacies. Each food stall was creatively named to reflect the subject of mathematics and the food item being served. The prospective Mathematics education teachers put in considerable effort to ensure the success of the food fest. Their dedication and creativity were evident in the organisation and execution of the event, which garnered praise from attendees. In a heartwarming gesture, the amount collected from the food fest was donated to an old age home in Muvattupuzha. This act of kindness exemplified the spirit of giving back to the community and underscored the values of compassion and empathy instilled in the student teachers through their education. Overall, the 'Lasagula' food fest not only delighted taste buds but also touched hearts and made a meaningful difference in the lives of others.

Participation in MG University Inter Training Collegiate Athletic Meet by St Joseph Training College Mannanm on 9-3-2019

The sports persons of SNCE seized the opportunity to participate in the inter-training collegiate athletic meet, showcasing their athletic prowess and competitive spirit. Approximately 20 athletes from SNCE actively participated in various events.

Meb

PRINCIPAL
Sree Narayana College of Education
Muvattupuzha

The dedication and hard work of the male athletes led to SNCE clinching the Ever-rolling trophy for the Men's Champion Team, a testament to their exceptional performance and teamwork. Additionally, the collective efforts of the other athletes secured a third prize for SNCE in the overall standings. Participating in the athletic meet allowed the athletes to showcase their talents and provided valuable opportunities to optimise their performance and enhance their organisational skills. The experience of competing at this level served as a platform for personal growth and development, instilling qualities of discipline, perseverance, and teamwork among the participants. The inter-training collegiate athletic meet was a rewarding experience for the sports persons of SNCE, highlighting their achievements and further solidifying the college's reputation in sports.

3. COMMUNICATING WITH PERSONS OF DIFFERENT DISABILITIES: BRAILLE, SIGN LANGUAGE AND SPEECH TRAINING

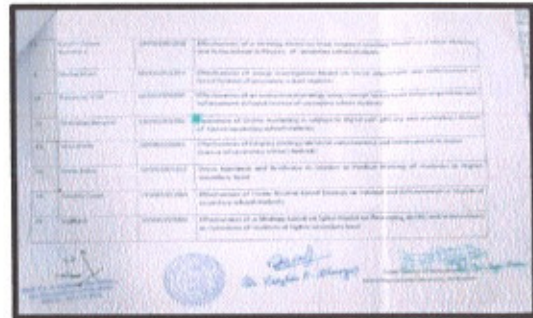

FLOOD RELIEF ACTIVITIES- Students and teachers went to clean the flood-affected houses of the staff, students, and the public and donated funds from 18-08-2018 to 20-08-2018

In the aftermath of the devastating flood in 2008, the alumni, student teachers, and teacher educators of SNCE rallied together to support the affected communities. They embarked on a mission to clean the houses of students and teachers in the flooded areas, providing much-needed assistance and relief. Additionally, some students volunteered to distribute food to those sheltered in relief camps, demonstrating selflessness and compassion in the face of adversity. Despite the challenges and uncertainties brought by the flood, their unwavering determination to help others without hesitation was commendable. Each house cleaned by the volunteers represented more than just physical cleanup; it symbolised a renewed sense of safety, comfort, and hope for the occupants. The SNCE community's collective efforts provided immediate relief and served as a source of strength and solidarity during a difficult time. Through their acts of kindness and generosity, the volunteers exemplified the spirit of compassion and empathy, leaving a lasting impact on the lives of those they helped. Their willingness to step up and make a difference in the lives of others serves as a testament to the strong sense of community and solidarity at SNCE.

4. CAPABILITY TO DEVELOP A SEMINAR PAPER AND A RESEARCH PAPER; UNDERSTAND /APPRECIATE THE DIFFERENCE BETWEEN THE TWO

Research Colloquium by Dr Varghese K Cherian on 16-9-2019

A colloquium was held to finalise the research topics of the MEd teacher educands at SNCE. During the colloquium, the subject expert thoroughly examined the selected topics, discussing their objectives, hypotheses, and methodologies. Necessary modifications were suggested and implemented to ensure the clarity and feasibility of the research projects. MEd students and teachers attended the colloquium, actively participating in the discussions and providing valuable insights. By the end of the session, the research topics were finalised, setting the stage for the educands to embark on their research journey with clear direction and guidance.
